

NOTICE OF INTENT TO ESTABLISH A SOLE SOURCE

The Lane County Department of Health and Human Services announces its intent to seek Board of County Commissioners authorization of a Sole Source Determination for the American Safety Council, dba Certus, for its management and maintenance of the County's online foodhandler training and certificate issuance website: orfoodhandlers.com. This Determination of a Sole Source is sought for the useful life of the website. If approved, the Determination will remove the need for periodic vendor selection for the maintenance of this website.

If the interests of another qualified vendor would be adversely affected by the determination of the American Safety Council dba Certus, as a sole source to provide the website management services set forth above, the qualified applicant may deliver a written protest to Lane County by e-mail to collette.christian@lanecountyor.gov Ms Christian will forward the protest to the County Administrator as required by LM 20.200.120. Protests are due by Noon, DST, on Friday, March 29, 2024 and must include a detailed statement of the legal and factual grounds for the protest, a description of the resulting harm, and the relief requested.
