James H Peterson

1.

I am a graduate of Willamette High School (1963).

I have an Associate in Science Degree in Forestry from Chemeketa Community College.

I am a small business owner, in Glenwood, for 15 years.

I have owned my own home, in Glenwood, for 20 years.

I am well acquainted with the good and the bad sides of the Glenwood society. I will do whatever is needed to accentuate the good and continue to fight the bad.

2.

I have benefited from living in Lane County for almost a half a century. I'd like to give something back.

3.

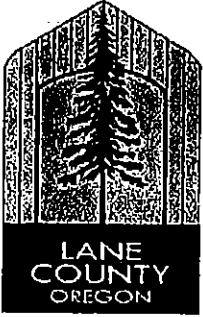

Even before there was much of a community on the Springfield side of the river, there was Glenwood and the ferry. Glenwood deserves this chance to better its position in the community. But, I don't think that we have to sacrifice identity in order to achieve these goals.

4.

I have represented Glenwood as a Precinct Committee Person for 20 years.

5.

This is a free country. What else is there to say?
