II. DISCUSSION

A. Background/Analysis

Board Order 87-8-5-5 authorized execution of a 15-year Intergovernmental Agreement (IGA) with the United States Marshals Service (USMS) to house federal inmates at the Lane County Adult Corrections Facility.

Board Order 98-4-22-09 extended the IGA to 14 March 2014.

Board Order 98-12-9-11 amended the IGA to increase the daily per diem rate from \$75.00 to \$84.95.

Modification No. 3 to the IGA incorporated medical guard services at the rate of \$23.85 per hour into the IGA effective 1 February 2002.

Modification No. 5 to the IGA increased the daily per diem rate to \$88.99 effective 1 September 2003.

The new 3-year IGA with the USMS increases the daily per diem rate to \$117.57 and increases the medical guard services per hour rate to \$38.00.

Lane Manual 21.145 requires Board of Commissioner approval for execution of an Agreement which exceeds \$100,000.

This IGA has a value of approximately \$13 Million.

B. RECOMMENDATION

Staff recommends approving execution of the US Marshals IGA for housing federal inmates and providing medical guard services.

Lane County will be providing a service to another governmental agency in addition to generating much needed revenue.
