HACSA MEMORANDUM

TO: HACSA Board of Commissioners
FROM: Dorothy Cummings, Deputy Director
AGENDA ITEM TITLE: ORDER/Resolution/In the Matter of Approving the Submission of the Annual Agency Plan for the Fiscal Year Beginning October 1, 2011
AGENDA DATE: July 12, 2011

I. MOTION

It is moved that the Order/Resolution be adopted approving the submission of the Annual Agency Plan for the fiscal year beginning October 1, 2011.

II. ISSUE

The Annual Agency Plan requires Board approval and certification that the Agency has complied with the applicable requirements listed on the certification form.

III. DISCUSSION

A. Background/Analysis

The Agency is required by Section 511 of the Quality Housing and Work Responsibility Act of 1998 (and ensuing HUD requirements) to submit a 5-Year and Annual Plan to HUD.

This year the Agency is only required to submit an Annual Plan because the 5-Year Plan was submitted last year. As in previous years, the focus of the Plan is to identify the programs and services provided under the Public Housing and Section 8 Tenant Based Assistance Programs and to allow public access and comment on those programs and services. The Work Responsibility Act requires that housing authorities work with their Public Housing Resident Advisory Boards (RAB) on the planning and development of the Plan. In order to meet this requirement, the Agency began meeting with the Resident Board at the beginning of the year. Each month, the RAB was presented with various components of the Plan.

The Act also requires that the Agency's Plan is consistent with the Consolidated Plan (an inter-jurisdictional effort designed to address the needs of the community). The Agency's plan coordinates and addresses many of the needs outlined in the Consolidated Plan, such as, increasing

affordable rental housing, conserving and improving existing affordable housing, and increasing homeownership opportunities.

HUD requires that housing authorities provide public notice of a 45-day comment period and a public hearing on the proposed plan. The Agency has met this requirement through public advertisement, resident meetings, and a public hearing. Throughout the comment period, the Plan and supporting documents have been available for public viewing at both Agency administration buildings and at each Public Housing development site.

The Agency is required to submit the Plan electronically to HUD no later than July 18, 2011. Along with the electronic submission, the Agency is required to submit to HUD the Board certification, and other required certifications.

C. Alternatives/Options

In order to receive subsequent HUD funding, the Agency Annual Plan and the related certification must be submitted to HUD.

D. Recommendation

Approval of the proposed motion is recommended.

IV. IMPLEMENTATION/FOLLOW-UP

Upon approval by the Board, the Executive Director will submit the ORDER/Resolution Annual Plan to HUD.

V. ATTACHMENT

A copy of the Annual Agency Plan is attached.

 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

This booklet contains the following components which are all part of the required submission to HUD.

These grants along with joint ventures with the Agency’s Energy Services Department, EWEB, and SUB have allowed the Agency to make major changes (additions) to last year’s 5 Year Plan.

This year the Agency continues to see benefits from the ARRA grants, our joint ventures, and very competitive bids. We again this year made significant changes to the Plan using the Capital Needs Assessment (CNA) that was conducted two years ago on all public housing units. If HACSA is unable to find an eligible applicant who has received a TOL notice, HACSA may apply these preferences to a group of applicants near the top of the waiting list. The application of these preferences may reorder the placement of applicants on the waiting list. At the time of an Applicant's prospective admission, HACSA staff will determine if that admission would cause HACSA to not meet the respective requirements (i.e. income targeting or deconcentration of poverty). If HACSA staff determine it would not cause HACSA to not meet the requirement(s), no further action will be taken. If HACSA staff determine the admission would cause HACSA to not meet the requirement(s), the applicable preference(s) will be applied and HACSA staff will document the affected Applicants' case record.

3. **Rent Determination.** A statement of the policies of the PHA governing rents charged for public housing and HCV dwelling units.

From the Section 8 Admin Plan:

OVERVIEW OF RENT AND SUBSIDY CALCULATIONS

TTP Formula [24 CFR 5.628]

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

1. 30 percent of the family's monthly adjusted income (adjusted income is defined in Part II)
2. 10 percent of the family's monthly gross income (annual income, as defined in Part I, divided by 12)
3. The welfare rent (in as-paid states only)
4. A minimum rent between \$0 and \$50 that is established by the PHA

The PHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family's TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

Minimum Rent [24 CFR 5.630]

PHA Policy

The minimum rent for this locality is \$0.

Family Share [24 CFR 982.305(a)(5)]

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds the PHA's applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy the PHA may not approve the tenancy if it would require the family share to exceed 40 percent of the family's monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family's voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)

HUD also requires PHAs to determine that units rented by families assisted under the HCV program have rents that are reasonable when compared to comparable unassisted units in the market area.

No HAP contract can be approved until the PHA has determined that the rent for the unit is reasonable. The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit rented under the HCV program.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD also requires that owners not charge more for assisted units than for comparable units on

the premises. This part explains the method used to determine whether a unit's rent is reasonable.

From the Public Housing Statement of Policy:

Computation of Total Tenant Payment (for Public and Assisted Housing)

1. Total Tenant Payment shall be the highest of the following (rounded to the nearest dollar):
 - a. Thirty percent (30%) of monthly income after allowances;
 - b. Ten percent (10%) of gross monthly income;
 - c. \$0.00 Minimum TTP for Public Housing;
 - d. \$25.00 for Section 8 units at Abbie Lane, Fourteen Pines and Village Oaks.

Public Housing Flat Rents are reviewed annually and are based on comparisons of our units size, location, age, general conditions, and amenities compared with 'like kind' in the private sector. Using local property management companies and newspaper ads, we are able to generate average rents based on these best fit unit to unit comparisons

4. **Operation and Management. A statement of the rules, standards, and policies of the PHA governing maintenance management of housing owned, assisted, or operated by the public housing agency (which shall include measures necessary for the prevention or eradication of pest infestation, including cockroaches), and management of the PHA and programs of the PHA.**

The Agency has in place a Statement of Policy, House Rules, Maintenance Plan, Integrated Pest Management, and Energy Plan. The Integrated Pest Management Plan outlines the Agency's plan for pest management which includes measures necessary for the prevention of pest and eradication services for residents experiencing an infestation.

5. Grievance Procedures. A description of the grievance and informal hearing and review procedures that the PHA makes available to its residents and applicants.

From the Public Housing Statement of Policy:

APPEAL PROCESS FOR APPLICANTS

SECTION I.

Procedures for resolving grievances for cancellation of applications.

GROUND FOR CANCELLATION OF APPLICATION

HACSA may cancel an application of the Applicant for any of the following reasons:

- A. Failure to respond to HACSA's correspondence, letters, or documentation inquiries by a specified date.
- B. Failure to submit all necessary verifications and documentation to HACSA inquiries by a specified deadline as noted in the correspondence.
- C. Failure to attend scheduled HACSA briefings, orientations, and appointments.

If an Application is canceled, the Applicant will be informed of the right to request an Informal Review of the decision. The Applicant's request for the Informal Review shall be in writing, addressed to the Occupancy Supervisor, HACSA, 300 West Fairview, Springfield, Oregon 97477 and received by HACSA within 14 days after the date of the Notice of Application Cancellation. The Request for Informal Review should contain any extenuating circumstances or evidence the Applicant wishes the reviewer to know prior to the review of the canceled file.

After reviewing the Applicant's request and HACSA's canceled file, a decision will be made regarding the cancellation.

A written notification of the decision of the Informal Review will be sent to the Applicant and a copy of the determination will be placed in HACSA's Applicant's file. If the decision is made to reinstate the Applicant, the Applicant will be returned to the waiting list, with the original time and date of application.

If the decision is made that the Applicant's application was canceled, the decision will be final.

SECTION II.

Procedures for Resolving Applicant Eligibility Grievances for Housing Division Programs.

For a current list of complexes covered by these procedures, see the Statement of Policies. Complexes may be added or deleted from this procedure in the future.

A. GROUND FOR INELIGIBILITY DETERMINATION

In general, HACSA may deny an Applicant admission/participation in a program in the following cases:

- a. If the Applicant currently owes rent or other monies to HACSA, or to another housing authority in connection with Section 8, Public Housing, or other housing assistance programs under the US Housing Act of 1937 as amended.
- b. If the Applicant (as a previous participant in the Section 8 Program) has not reimbursed HACSA or another HA amounts paid to an owner under a Contract for rent or other amounts owed by the family under the Lease.
- c. If the Applicant has committed fraud in connection with any federal housing assistance program.
- d. If the Applicant or any member of Applicant's family has engaged in drug related criminal activity or violent criminal activity as defined in HACSA's Statement of Policies and in 24 CFR 966.
- e. If the Applicant fails to meet any of the eligibility requirements or selection standards for admission set out in HACSA 's Statement of Policies.
- f. If the Applicant has breached an agreement to pay amounts owed to HACSA or amounts paid to an owner by HACSA on their behalf .
- g. If the Applicant fails to meet the Social Security Number disclosure requirements.
- h. If the Applicant fails to provide documentation for verification of citizenship or eligible immigration status.
- i. If the Applicant has been listed on HUD's List of Suspensions, Debarment, and Limited Denials of Participation.
- j. HACSA may review the criminal history and/or court records for all members of an Applicant family. Applicants may be asked to submit fingerprints for State or NCIC records check. Applicants with a record of criminal activity, drug related criminal activity or any other crimes that would pose a threat to property or to the life, health, safety or peaceful enjoyment of Residents, neighbors or HACSA staff may be denied assistance. Drug related criminal activity includes, but is not limited to: the illegal manufacture, sale, distribution, use or possession of a controlled substance and the illegal possession of a controlled substance with the intent to use, manufacture, sell or distribute the substance.
HACSA has a zero-tolerance policy for all drug-related activity. HACSA may deny admission to an Applicant if any household member is currently using an illegal controlled substance or if HACSA has reasonable cause to believe that the Applicant's (or other household member's) use or pattern/history of illegal use, of a controlled substance may interfere with the health, safety or right to peaceful enjoyment by other Residents. HACSA may also deny admission to an Applicant if they or any other household member abuse alcohol or has a history or pattern of alcohol abuse that HACSA has reasonable cause to believe may interfere with the health, safety or right to peaceful enjoyment by other Residents.

HACSA may deny admission to any Applicant family with a criminal record of an arrest, charge or conviction for the manufacture, sale, or distribution of a

controlled substance, or possession with intent to manufacture, distribute or sell a controlled substance.

In determining whether to deny housing assistance based on drug-related criminal activity or criminal activity:

1. HACSA may deny assistance if the preponderance of evidence indicates that an Applicant and/or a family member has engaged in such activity, regardless of whether the family member has been arrested or convicted;
 2. HACSA shall have discretion to consider all of the circumstances in each case, including, but not limited to, the seriousness of the offense, the extent of participation by family members, and the effects that denial would have on family members not involved in the activity. HACSA, in appropriate cases, may impose a condition that family members determined to have engaged in the activities may not reside in the unit. HACSA may require an Applicant and/or a family member that has engaged in drug-related activity to submit evidence of successful completion of a treatment program and a reasonable recovery period as a condition of being allowed to reside in the unit.
- k. If the Applicant has provided false information on their application and/or other forms.

B. NOTIFICATION OF INELIGIBLE STATUS

A copy of the notification of the ineligibility determination and the Applicant's right to an Informal Hearing shall be sent to one or more of the following HACSA employees:

- e. A clause informing the individual that he/she will have the right at the Informal Hearing to ask questions of the individuals regarding the information which has led to the ineligibility determination.
- f. A clause indicating that the Applicant has the right to present evidence that would affect the final eligibility determination.
- g. A clause indicating that if the Applicant is disabled and believes that the determination is a result of his/her disability, a request for Reasonable Accommodation may be made.
- h. A clause indicating that the Applicant shall have the right to copy any documents and/or regulations of HACSA prior to the Informal Hearing. The clause shall also state that the Applicant may be charged a \$5.00 basic charge plus \$.05 per copy.

C. THE INFORMAL HEARING

- 1. The Applicant has the right to request an Informal Hearing on HACSA 's decision regarding the Applicant's ineligibility for participation in the programs covered by this process, which is limited as follows:
 - a. HACSA shall give an Applicant prompt written notice of a decision denying eligibility to the Applicant, including a decision denying listing on the waiting list, participation in a Program, or a determination of ineligibility. The notice shall contain a brief statement of the reasons for the decision. The notice shall also state that the Applicant may request an Informal Hearing on the decision, and shall describe how to obtain the Informal Hearing. See Section B above for additional information regarding the notification of ineligibility.
 - b. HACSA shall give the Applicant an opportunity for an Informal Hearing on the adverse decision. However, HACSA is not required to provide an opportunity for an Informal Hearing in the following circumstances:

 - v. To review HACSA's determination of ineligibility for HACSA's Scattered Site Incentive Transfer Program.

D. REQUEST FOR INFORMAL HEARING

If an Informal Hearing is requested, HACSA shall schedule it on a date mutually agreed upon by the relevant parties. HACSA shall notify the Applicant of the time, date and place of the Informal Hearing. If the Applicant has a good reason for not being able to attend the Informal Hearing on the particular time or date set by the notice, the Applicant must inform the designated Hearings Officer prior to the time or date set, and a mutually-convenient time, as soon as practically possible, will then be scheduled, depending on the reason(s) for the postponement.

The Informal Hearing may be conducted by phone or conference call if the family is unable to come to HACSA for the Hearing.

A request for an Informal Hearing must be made by the Applicant within fourteen (14) calendar days of the ineligibility notification. A request for an Informal Hearing is to be directed to the person named in the ineligibility notification.

If the Applicant does not request an Informal Hearing within the fourteen (14) calendar day limitation, the determination of ineligibility becomes final without further notice to the Applicant.

If the Applicant fails to appear for an Informal Hearing without good cause or without prior notification, the determination of ineligibility will become final.

E. CONDUCT OF INFORMAL HEARING

The purpose of an Informal Hearing is to come to a final decision on eligibility to receive housing assistance/admission to the programs covered by this procedure.

The Informal Hearing will be conducted by a staff person who is not subordinate to anyone who made the initial determination of eligibility; nor will the staff person have previously participated in the review or initial determination of eligibility status. If a conflict does exist, HACSA shall designate another individual to conduct the Informal Hearing.

This is NOT a judicial hearing; thus no order of proof or mode of offering of evidence needs to be adhered to. How the Informal Hearing is to be run is strictly within the discretion of the Hearings Officer or the person who substitutes for that individual. However, it shall be the responsibility of the Hearings Officer to ensure that adequate information is brought out at the Informal Hearing so that a reasonable decision may be made concerning the final eligibility of the Applicant.

F. DECISION

1. The decision on eligibility shall be made by the Hearings Officer and shall be a final determination of the Applicant's eligibility. That decision shall be made consistent with this procedure. The Hearings Officer shall inform the parties in writing of his/her decision regarding the eligibility of the Applicant. The Hearings Officer shall state the reasons for the determination and indicate the evidence that was relied upon. Factual determinations relating to individual circumstances of the Applicant shall be based on a preponderance of the evidence presented at the Informal Hearing. The Hearings Officer may solicit additional information or documentation obtained outside of the Informal Hearing. The decision shall be in writing and shall be sent to the Applicant within five (5) days for Assisted Housing Applicants and within 14 days for Public Housing Applicants after the conclusion of the Informal Hearing and/or the completion of any additional fact-finding on the

part of the Hearings Officer. Signature of the Applicant that he/she has received the decision in person is an acceptable alternative to mail delivery.

2. HACSA is not bound by the decision of the Hearings Officer if the Hearings Officer's decision:
 - a. Concerns a matter for which HACSA is not required to provide an opportunity for an Informal Hearing in accordance with Section II.C.b. of these Procedures, or
 - b. Concerns a matter for which the Hearings Officer has exceeded his/her authority for conducting the Informal Hearing under these procedures, or
 - c. When the decision is contrary to HUD regulations or requirements, or is otherwise contrary to federal, state or local law.

If HACSA determines that it is not bound by a decision, HACSA shall promptly notify the participant of the determination and of the reasons for the determination.

3. Hearings Officer Decision
 - a. If the decision is in favor of the Applicant, he or she would be deemed eligible to receive assistance. If, such assistance is not available at the time of the decision, the Applicant will be returned to the waiting list with their original time and date of application.
 - b. If the decision is that the Applicant is ineligible to receive assistance, the Applicant shall be denied participation in the housing assistance program and the application will be canceled.

The parties using these procedures shall be guaranteed the following basic safeguards of procedural due process:

SECTION VII. GIVING OF NOTICE.

A. NOTICE TO THE RESIDENT.

All notices, summaries of decisions, written decisions or any other written material that these procedures require to be given to the Resident shall be delivered by first class mail, faxed, hand delivered to the Resident or to an adult member of the Resident's family at his/her place of residence, or posted securely to the door of the residence and a copy mailed by first class mail.

4. FORMAL HEARINGS REGARDING RENT.

- a. AMOUNT OF RENT. Before a Formal Hearing will be scheduled on any grievance involving the amount of rent HACSA claims to be due, including retro-active rent, the Resident must pay HACSA all unpaid rent which has accrued to date. If the amount of unpaid rent is disputed, it shall be determined by HACSA according to the following formula: Unpaid rent equals the amount of monthly rent due at the last income recertification,

multiplied by the number of months (or parts thereof) of occupancy during which no rent or partial rent has been paid. Unpaid rent includes rent due for the month in which the grievance is presented. The Resident must continue to pay additional rent which becomes due after the grievance is presented and before it is resolved.

HACSA will attempt to schedule the Formal Hearing within fourteen (14) days of receipt of the Request for Formal Hearing. 2. FAILURE TO APPEAR. If either the Resident or HACSA fails to appear at a scheduled Hearing, the Hearings Officer may decide with good cause to postpone the Hearing for no more than five (5) working days, or may decide that the party has waived their right to a Hearing. All parties shall be notified, in writing, of the decision according to the method specified herein for the giving of notice.

Failure to comply with the directions of the Hearings Officer may result in exclusion from the proceedings or in a decision adverse to the interest of the disorderly party.
4. BURDEN OF PROOF. At the Hearing, the Resident must first make a showing of entitlement to the relief sought. HACSA must then justify its action or inaction. However, when the Resident is contesting a proposed eviction, HACSA must establish by the preponderance of evidence, the violation(s) of the rental agreement warranting termination of the lease and then the Resident must justify his/her action or inaction as not violating the terms of his/her rental agreement.
5. The Resident or HACSA may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the Hearing. Either party may purchase a copy of that transcript.
6. HACSA shall make Reasonable Accommodations for persons with disabilities to participate in the Hearing. Reasonable Accommodations may include, but are not limited to, sign language interpreters, readers, accessible locations, or attendants. If the Resident is visually impaired, any notice to the Resident which is required under this grievance procedure may be made available in an accessible format.

E. DECISION OF THE FORMAL HEARING OFFICER.

1. WRITTEN DECISION. The Hearings Officer will prepare a written decision including findings and conclusions together with reasons therefore on each material issue raised by the parties. 3. EFFECT OF DECISION. The decision of the Hearings Officer is binding on HACSA. HACSA shall take all action, or refrain from any action, necessary to

carry out the decision. However, the decision is not binding if the Executive Director determines within thirty (30) days, and promptly notifies the Resident of his determination, that:

- a. The grievance does not concern HACSA action or inaction adversely affecting the Resident's rights, duties, welfare or status stemming from the Resident's rental agreement or HACSA regulations; or
 - b. The decision of the Hearings Officer is contrary to federal, state or local law, HUD regulations or requirements of the Annual Contributions Contract between HUD and HACSA.
4. REHEARING. After notification of the Executive Director's determination, the Resident may petition the Executive Director for a rehearing of the grievance. If the Executive Director reaffirms her/his determination reversing the decision of the Hearings Officer, the Resident may seek judicial review. If the Executive Director grants a Hearing, it will take place in accordance with HACSA's Grievance Procedures for Residents.

F. TERMINATION OF TENANCY.

1. HEARING REQUESTED. If a Resident has requested a Hearing under these grievance procedures regarding a Notice of Termination of Tenancy (eviction notice), HACSA shall take no action on the termination until the Hearings Officer renders a decision.
2. NOTICE TO VACATE. If the Hearings Officer upholds HACSA's decision to terminate the tenancy, HACSA shall not commence an eviction action in court until it has served a Notice to Vacate on the Resident. The Notice to Vacate will not be issued until the decision of the Hearings Officer has been delivered to the Resident and his/her representative according to the method specified herein for Giving of Notice.
3. EVICITION. The Notice to Vacate must be in writing and must state that if the Resident fails to vacate the premises within the time specified after receipt of the notice, or on the termination date stated in the Notice of Termination, whichever is later, appropriate legal action may be taken against the Resident and he/she may be liable for court costs and attorneys fees.

From the Section 8 Admin Plan:

PART III: INFORMAL REVIEWS AND HEARINGS

16-III.A. OVERVIEW

When the PHA makes a decision that has a negative impact on a family, the family is often entitled to appeal the decision. For applicants, the appeal takes the form of an informal review; for participants, or for applicants denied admission because of citizenship issues, the appeal takes the form of an informal hearing.

PHAs are required to include in their administrative plans, informal review procedures for applicants, and informal hearing procedures for participants [24 CFR 982.54(d)(12) and (13)].

16-III.B. INFORMAL REVIEWS

Informal reviews are provided for program applicants. An applicant is someone who has applied

for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a "minimum hearing requirement" [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements. (Federal Register Volume 60, No. 127, p 36490).

Decisions Subject to Informal Review

The PHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- I. Denying listing on the PHA waiting list
- II. Denying or withdrawing a voucher
- III. Refusing to enter into a HAP contract or approve a lease
- IV. Refusing to process or provide assistance under portability procedures
- V. Denial of assistance based on an unfavorable history that may be the result of domestic violence, dating violence or stalking. (See Section 3-III.G.)

Informal reviews are not required for the following reasons [24 CFR 982.554(c)]:

- VI. Discretionary administrative determinations by the PHA
- VII. General policy issues or class grievances
- VIII. A determination of the family unit size under the PHA subsidy standards
- IX. A PHA determination not to grant approval of the tenancy
- X. A PHA determination that the unit is not in compliance with the HQS
- XI. A PHA determination that the unit is not in accordance with the HQS due to family size or composition

PHA Policy

The PHA will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying listing on the PHA waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures.

Notice to the Applicant [24 CFR 982.554(a)]

The PHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the PHA decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

Scheduling an Informal Review

PHA Policy

A request for an informal review may be made in writing or verbally and received by the PHA no later than 14 days from the date of the PHA's denial of assistance.

Except as provided in Section 3-III.G, the PHA must schedule and send written notice of the informal review within 14 days of the family's request.

Informal Review Procedures [24 CFR 982.554(b)]

PHA Policy

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of the PHA.

The Review may be conducted by:

A staff person who is at the supervisor level or above.

The family may use an attorney or other representative to assist them at their own expense.

The review may be conducted by mail and/or telephone if acceptable to both parties.

The person conducting the review will make a recommendation to the PHA, but the PHA is responsible for making the final decision as to whether assistance should be granted or denied.

Informal Review Decision [24 CFR 982.554(b)]

The PHA must notify the applicant of the PHA's final decision, including a brief statement of the reasons for the final decision.

PHA Policy

In rendering a decision, the PHA will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the Notice.

The validity of the evidence. The PHA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, the PHA will uphold the decision to deny assistance.

If the facts prove the grounds for denial, and the denial is discretionary, the PHA will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

The PHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 10 business days of the informal review, to the applicant and his or her representative, if any, along with proof of mailing.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555, Pub.L. 109-162]

PHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the PHA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the PHA's decisions related to the family's circumstances are in accordance with the law, HUD regulations and PHA policies.

The PHA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed.

Termination of assistance for a participant may include any or all of the following:

- XII. Refusing to enter into a HAP contract or approve a lease
- XIII. Terminating housing assistance payments under an outstanding HAP contract
- XIV. Refusing to process or provide assistance under portability procedures

Decisions Subject to Informal Hearing

Circumstances for which the PHA must give a participant family an opportunity for an informal hearing are as follows:

- XV. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- XVI. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule
- XVII. A determination of the family unit size under the PHA's subsidy standards
- XVIII. A determination to terminate assistance for a participant family because of the family's actions or failure to act
- XIX. A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules
- XX. A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]
- XXI. A determination to deny admission based on an unfavorable history that may be the result of domestic violence, dating violence, or stalking.

Circumstances for which an informal hearing is not required are as follows:

- XXII. Discretionary administrative determinations by the PHA
- XXIII. General policy issues or class grievances
- XXIV. Establishment of the PHA schedule of utility allowances for families in the program
- XXV. A PHA determination not to approve an extension or suspension of a voucher term
- XXVI. A PHA determination not to approve a unit or tenancy
- XXVII. A PHA determination that a unit selected by the applicant is not in compliance with the HQS
- XXVIII. A PHA determination that the unit is not in accordance with HQS because of family size
- XXIX. A determination by the PHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

PHA Policy

The PHA will only offer participants the opportunity for an informal hearing when required to by the regulations.

Informal Hearing Procedures

Notice to the Family [24 CFR 982.555(c)]

When the PHA makes a decision that is subject to informal hearing procedures, the PHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, the PHA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to the PHA's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

PHA Policy

In cases where the PHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

- The proposed action or decision of the PHA.

- A brief statement of the reasons for the decision based on the regulatory reference.

- The date the proposed action will take place.

- A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.

- A deadline for the family to request the informal hearing.

- To whom the hearing request should be addressed.

Scheduling an Informal Hearing [24 CFR 982.555(d)]

When an informal hearing is required, the PHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

PHA Policy

A request for an informal hearing must be made in writing and/or verbally and received by the PHA no later than 14 days from the date of the PHA's decision or notice to terminate assistance.

The PHA must schedule and send written notice of the informal hearing to the family within 14 days of the family's request.

The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family or the desire to obtain legal representation. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date and time. At its discretion, the PHA may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear at the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact the PHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. The PHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

Pre-Hearing Right to Discovery [24 CFR 982.555(e)]

Participants and the PHA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any PHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If the PHA does not make the document available for examination on request of the family, the PHA may not rely on the document at the hearing.

The PHA hearing procedures may provide that the PHA must be given the opportunity to examine at the PHA offices before the hearing, any family documents that are directly relevant to the hearing. The PHA must be allowed to copy any such document at the PHA's expense. If the family does not make the document available for examination on request of the PHA, the family may not rely on the document at the hearing.

For the purpose of informal hearings, documents include records and regulations.

PHA Policy

The family will be allowed to copy any documents related to the hearing at a cost of \$.25 per page. In requesting copies of documents or review of the file the family must request an appointment with the Housing Coordinators no later than 24 hours prior to the scheduled hearing date.

The PHA must be given an opportunity to examine at the PHA offices before the hearing any family documents that are directly relevant to the hearing.

Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

Informal Hearing Officer [24 CFR 982.555(e)(4)]

Informal hearings will be conducted by a person or persons approved by the PHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

Attendance at the Informal Hearing

PHA Policy

Hearings may be attended by a hearing officer and the following applicable persons:

- A PHA representative(s) and any witnesses for the PHA
- The participant and any witnesses for the participant
- The participant's counsel or other representative
- Any other person approved by the PHA as a reasonable accommodation for a person with a disability

Conduct at Hearings

The person who conducts the hearing may regulate the conduct of the hearing in accordance with the PHA's hearing procedures [24 CFR 982.555(4)(ii)].

PHA Policy

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

Evidence [24 CFR 982.555(e)(5)]

The PHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

PHA Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

Oral evidence: the testimony of witnesses

Documentary evidence: a writing which is relevant to the case, for example, a letter written to the PHA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.

Demonstrative evidence: Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

Real evidence: A tangible item relating directly to the case.

Hearsay Evidence is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If either the PHA or the family fail to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

Hearing Officer's Decision [24 CFR 982.555(e)(6)]

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing.

PHA Policy

In rendering a decision, the hearing officer will consider the following matters:

PHA Notice to the Family: The hearing officer will determine if the reasons for the PHA's decision are factually stated in the Notice.

Discovery: The hearing officer will determine if the PHA and the family were given the opportunity to examine any relevant documents in accordance with PHA policy.

PHA Evidence to Support the PHA Decision: The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the PHA's conclusion.

Validity of Grounds for Termination of Assistance (when applicable): The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and PHA policies. If the grounds for termination are not specified in the regulations or in compliance with PHA policies, then the decision of the PHA will be overturned.

The hearing officer will issue a written decision to the family and the PHA no later than 14 days after the hearing. The report will contain the following information:

Hearing information:

- Name of the participant;
- Date, time and place of the hearing;
- Name of the hearing officer;
- Name of the PHA representative; and
- Name of family representative (if any).

Background: A brief, impartial statement of the reason for the hearing.

Summary of the Evidence: The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

Findings of Fact: The hearing officer will include all findings of fact, based on a preponderance of the evidence. Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Conclusions: The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold the PHA's decision.

Order: The hearing report will include a statement of whether the PHA's decision is upheld or overturned. If it is overturned, the hearing officer will instruct the PHA to change the decision in accordance with the hearing officer's determination. In the case of termination of assistance, the hearing officer will instruct the PHA to restore the participant's program status.

Procedures for Rehearing or Further Hearing

PHA Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of the PHA will take effect and another hearing will not be granted.

It shall be within the sole discretion of the PHA to review the hearing decision.

PHA Notice of Final Decision [24 CFR 982.555(f)]

The PHA is not bound by the decision of the hearing officer for matters in which the PHA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to Federal, State or local laws.

If the PHA determines it is not bound by the hearing officer's decision in accordance with HUD regulations, the PHA must promptly notify the family of the determination and the reason for the determination.

PHA Policy

The PHA will mail a "Notice of Final Decision" including the hearing officer's report, to the participant and their representative. This Notice will be sent by first-class mail. A copy of the "Notice of Final Decision" will be maintained in the participant's file.

16-III.D. HEARING AND APPEAL PROVISIONS FOR NON-CITIZENS [24 CFR 5.514]

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the PHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]

As discussed in Chapters 3 and 11, the notice of denial or termination of assistance for noncitizens must advise the family:

XXX. That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.

XXXI. The family may be eligible for proration of assistance.

XXXII. In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].

XXXIII. That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.

XXXIV. That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.

XXXV. For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

USCIS Appeal Process [24 CFR 5.514(e)]

When the PHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the PHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the PHA with a copy of the written request for appeal and the proof of mailing.

PHA Policy

The PHA will notify the family in writing of the results of the USCIS secondary verification within 14 days of receiving the results.

The family must provide the PHA with a copy of the written request for appeal and proof of mailing within 14 days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written

explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the PHA, of its decision. When the USCIS notifies the PHA of the decision, the PHA must notify the family of its right to request an informal hearing.

PHA Policy

The PHA will send written notice to the family of its right to request an informal hearing within 14 days of receiving notice of the USCIS decision regarding the family's immigration status.

Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

Informal Hearing Officer

The PHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.

Evidence

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of the PHA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

PHA Policy

The family will be allowed to copy any documents related to the hearing at a cost of \$.25 per page.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the PHA, and to confront and cross-examine all witnesses on whose testimony or information the PHA relies.

Representation and Interpretive Services

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or the PHA, as may be agreed upon by the two parties.

Recording of the Hearing

The family is entitled to have the hearing recorded by audiotape. The PHA may, but is not required to provide a transcript of the hearing.

Hearing Decision

The PHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The decision must

state the basis for the decision.

Informal Hearing Procedures for Residents [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

6. **Designated Housing for Elderly and Disabled Families.** With respect to public housing projects owned, assisted, or operated by the PHA, describe any projects (or portions thereof), in the upcoming fiscal year, that the PHA has designated or will apply for designation for occupancy by elderly and disabled families. The description shall include the following information: 1) development name and number; 2) designation type; 3) application status; 4) date the designation was approved, submitted, or planned for submission, and; 5) the number of units affected.

N/A

7. **Community Service and Self-Sufficiency.** A description of: 1) Any programs relating to services and amenities provided or offered to assisted families; 2) Any policies or programs of the PHA for the enhancement of the economic and social self-sufficiency of assisted families, including programs under Section 3 and FSS; 3) How the PHA will comply with the requirements of community service and treatment of income changes resulting from welfare program requirements. (Note: applies to only public housing).

HACSA meets on a regular basis with its Tenant Advisory Group (TAG), made up of Resident Representatives and Alternates, elected by their peers from their respective housing developments. Residents are assisted on a monthly basis, by HACSA's Resident Services Administrative Assistant (RSAA), in producing Resident Newsletters for their respective housing developments. The RSAA facilitates regular-scheduled Resident Coordinating Group (RCG) meetings at HACSA's different housing complexes. The RSAA assists the TAG in administering funds from the Resident Participation Fund, and in consulting with the various RCGs about expenditures from their respective Resident Accounts. The RSAA assists in the coordination of food distribution by Resident Volunteers, using donated foods from Food For Lane County (FFLC). Each summer, HACSA sponsors FFLC's Summer Meal Program at several of its housing development sites.

HACSA encourages the economic self-sufficiency of its residents by applying an Earned Income Disallowance (EID) to increases in annual earned income for a family member who was unemployed for one or more years previous to employment; to increases in annual earned income for a family member during participation in any economic self-sufficiency or other job training program; or to increases in annual earned income during or within six months after receiving assistance under a state program for temporary assistance for needy families (TANF). During the initial twelve month exclusion period, the EID is applied to all

increases in annual earned income. During the second twelve month exclusion period, the EID is applied to 50% of all increases in annual earned income.

Since 1992, HACSA has managed a Family Self-Sufficiency (FSS) Program. Currently, the FSS Program is offered to both Section 8 and Public Housing participants. The purpose of the FSS Program is to assist families to improve their economic situations and to reduce their dependence on welfare programs. Each FSS participant works with an FSS Case Manager to create a five-year plan that includes employment goals and identifies training or education needs. FSS staff then work with the family to identify, locate, and arrange for the services needed to accomplish these goals. In addition, as FSS participants succeed in increasing their earned family income, the portion of their monthly income contributed towards their rent payment also increases. A percentage of this rent increase is deposited into an interest-bearing escrow account after HACSA has set up the account. If the family meets its goals within five years and has received no welfare assistance for one year, they are eligible to receive the funds in the escrow account. Since its inception, the HACSA FSS Program has assisted almost eighty (80) participants become home owners.

HACSA's Community Service Policy is incorporated in HACSA's Statement of Policies, as Appendix H. During the intake process, each Public Housing applicant is required to sign a copy of HACSA's Community Service/Self-Sufficiency Compliance Certification, acknowledging their receipt of HACSA's Community Service Policy and acknowledging their requirement to contribute eight (8) hours per month of community service or participate eight (8) hours per month in an economic self-sufficiency program, unless otherwise exempt from this requirement. At each Annual Re-Certification, HACSA's Public Housing participants are required to sign the Certification again and, if not exempt, present a completed documentation form of activities performed over the previous twelve (12) months. If a family is found to be non-compliant with this requirement at recertification, s/he and the Head of Household will sign an agreement with HACSA to make up the deficient hours over the next twelve (12) month period. If the family is found to be non-compliant at the next recertification, the lease will not be renewed and the entire family will have to vacate the unit, unless the noncompliant member agrees to move out of the unit.

HACSA's Policy on Welfare Benefit Reductions is incorporated into HACSA's Statement of Policies, as Appendix M. A "covered family" is a family that receives welfare benefits from a welfare agency under a program that requires that a member of the family must participate in an economic self-sufficiency program as a condition of such assistance. "Imputed welfare income" is the amount of welfare benefits not received by the family, as a result of a specified welfare benefit reduction, that is included in the family's annual income calculation. "Specified welfare benefit reduction" is a reduction in welfare benefits because of fraud by a family member, or because of non-compliance with an economic self-sufficiency program. When a welfare agency informs HACSA of the amount of, and reason for, any specified welfare benefit reduction, HACSA will use this information to determine the imputed welfare income and count the imputed welfare income as income received by the family.

8. **Safety and Crime Prevention.** For public housing only, describe the PHA's plan for safety and crime prevention to ensure the safety of the public housing residents. The statement must include: (i) A description of the need for measures to ensure the safety of public housing residents; (ii) A description of any crime prevention activities conducted or to be conducted by the PHA; and (iii) A description of the coordination between the PHA and the appropriate police precincts for carrying out crime prevention measures and activities.

There is no special need for measures to ensure the safety of HACSA's public housing residents; i.e., a daily review of Calls For Service related to HACSA's public housing developments indicates that the level of criminal activity in HACSA's public housing developments is similar to the level of criminal activity in the surrounding communities. Nevertheless, HACSA has a long-standing program of safety and crime prevention.

Since 1997, HACSA has tracked crime and crime-related problems in its public housing developments on a continuing basis. On a daily basis, the Eugene Police Department provides HACSA with a Calls for Service Report, which lists the details of all police/emergency calls related to every unit owned by HACSA. As a LEADS (Law Enforcement Data System) Agency, HACSA has access to Lane County's Area Information Records System (AIRS), an automated information system managed by and serving a consortium of local public safety and justice agencies. HACSA Property Managers follow up on relevant calls, obtaining copies of related Police Reports, and taking appropriate lease enforcement action.

Since 1997, HACSA has utilized access to AIRS, OJIN (Oregon Justice Information Network) records, OSP (Oregon State Police) records, and NCIC (National Crime Information Center) records, to support its screening policies that limit access to its public housing program by applicants who have been involved in violent and/or drug-related criminal activity. HACSA denies admission to applicants who meet the applicable crime-related criteria.

Since 1997, HACSA has coordinated with eight (8) local police and law enforcement agencies (Florence Police Department, Eugene Police Department, Springfield Police Department, Junction City Police Department, Cottage Grove Police Department, Oregon State Police, Lane County Sheriff Office, and Lane County Parole and Probation) in carrying out crime prevention measures and activities. These activities include the screening criteria mentioned above, the review of daily Calls For Service reports mentioned above, the use of No Trespass Notices, the use of Letters of Concern, the use of Notices of Eviction, as well as providing regular information to HACSA's public housing residents about reporting criminal activity. In addition, HACSA currently provides an office location, in its largest public housing complex, for two Lane County Parole and Probation Officer.

9. Pets. A statement describing the PHAs policies and requirements pertaining to the ownership of pets in public housing.

From the Public Housing Statement of Policy:

PET POLICY & RULES

1. Definitions/Applicability

These pet rules quantify the legitimate interest of HACSA in providing decent, safe and sanitary living environments for existing and prospective residents, and in protecting and preserving the physical condition of the property and HACSA's financial interest in it. HACSA may designate individual employees to fulfill the obligations specified in this policy. Where designated, these persons will fulfill the obligations called for in this policy wherever HACSA is specified. Designated employees may include Property or Resident Managers, or other appropriate staff members.

Pets are domesticated animals, such as a dog, cat, bird, rabbit, fish, or turtle, that are traditionally kept in the home for pleasure rather than for commercial purposes. Common household pets do not include reptiles (except turtles). If this definition conflicts with any applicable State or local law or regulation defining the pets that may be owned or kept in dwelling accommodations, the State or local law or regulations shall apply. HACSA reserves the right to determine what animal(s) will be allowed.

Exceptions to HACSA's Pet Policy & Rules will be considered, on a case-by-case basis, upon receipt of a Request for Reasonable Accommodation. Such Requests must verify that the Applicant/Resident making the request meets the definition of an Individual with a Disability and that the exemption being requested meets a specific disability-related need and would provide the Applicant/Resident with an equal opportunity to participate in and use HACSA's housing program(s). Please see HACSA's Policy on Reasonable Accommodation and/or HACSA's Assistance/Companion/Service Animal Guidelines.

2. Management Approval

- A. Prior to a pet being allowed to reside in a unit, the proposed pet owner must prepare and submit an "Application to Keep a Pet" to their Property Manager or Intake Coordinator.
- B. In addition, the Resident (or Applicant) must provide HACSA with documented acceptability in accordance with the provisions outlined in "Standards" below.
- C. Pets must be registered with HACSA BEFORE the pet is brought onto the premises and the registration may be reviewed or updated by HACSA on an "as-needed" basis.
- D. HACSA may give temporary approval for a pet to be on the premises prior to registration, pending approval of the "Application to Keep a Pet."

E. Registration includes:

- 1) A certificate (Category I pet only) signed by a licensed veterinarian or designated State or local authority, stating that:
 - a) The pet has received all inoculations required by State or local law.
 - b) The animal is in good health. It has no communicable diseases or pests, and in the case of dogs and cats, is spayed or neutered. For dogs, verification of the current weight and expected adult weight and size must also be provided.
- 2) Verification that the animal is licensed in accordance with applicable State and local laws and regulations.
- 3) A photo (Category I pet only) and sufficient information to identify the animal and demonstrate it is a common household pet.
- 4) The name, address, and phone number of one or more "Responsible Parties" to care for the pet if the owner dies, is incapacitated or is unavailable to care for the pet. A Resident who cares for another Resident's pet must notify HACSA in writing that they will be caring for the pet and are willing to abide by the Pet Rules and Policies.
- 5) "Application to Keep a Pet" stating that the Resident accepts complete responsibility for the care and cleaning of the pet and acknowledges the applicable rules.

F. These requirements may not conflict with State or local law.

G. An animal's temperament may be considered as a factor in determining the prospective owner's ability to comply with the Pet Rules and Policies and other lease obligations. Dogs or cats having a history of, or exhibiting aggressive, intimidating, territorial or inappropriate behavior will not be approved.

H. HACSA shall refuse to register a pet if:

- 1) It is not a common household pet (as defined and allowed by HACSA).
- 2) The Resident fails to provide complete pet registration information or fails to update the registration as requested by HACSA or, if HACSA reasonably determines, based on the Resident's habits and practices, that the Resident will be unable to keep the pet in compliance with the Pet Rules and Policies and other lease obligations.

I. HACSA may not refuse to register a pet based on the determination that a pet owner is financially unable to care for the pet, or the determination that the pet is inappropriate based on the therapeutic value to the pet owner, the interests of the property, or existing residents. HACSA is required to notify the Resident if HACSA refuses to register the pet. The notice shall state the basis for HACSA's action and may be combined with a notice of pet violation or lease termination.

3. Standards

Common household pets will be permitted under the following guidelines. [Exceptions to these standards will be considered, on a case-by-case basis, upon receipt of a Request for Reasonable Accommodation. Such Requests must verify that the Applicant/Resident making the request meets the definition of an Individual with a Disability and that the exemption being requested meets a specific disability-related need and would provide the Applicant/Resident with an equal opportunity to participate in and use HACSA's housing program(s). Please see HACSA's Policy on Reasonable Accommodation and/or HACSA's Assistance/Companion/Service Animal Guidelines.]

5. Animals Temporarily on the Premises

Animals not owned by a Resident or not approved by HACSA are not allowed on the premises. "Visiting" animals are not allowed! This prohibition does not apply to visiting service/assistance animals. Feeding or harboring stray animals is not allowed, and will be considered a lease violation as having a pet without the written permission of HACSA.

6. Pet Deposit

A. The pet deposit is for the purpose of defraying reasonable costs directly attributable to the presence of a pet. No deposit will be collected for Category II pets. HACSA reserves the right (as allowed by federal regulation) to change the deposit by amendment to these rules. The Resident pet owner is responsible for fumigation or cleaning charges directly related to the pet, or damages caused by the pet.

B. The deposit for a dog or cat is \$150.00 – payment options (by program) are as follows:

D. Reasonable expenses for damages owing to the presence of the pet in the complex shall be the responsibility of the Resident/Pet Owner, including but not limited to:

- 1) Cost of damages (including repair and/or replacement) to any HACSA

The Resident/Pet Owner shall be billed for animal damages for the amount of costs in excess of the pet deposit. HACSA will provide the Resident with an accounting of their pet deposit (along with any refund, if applicable) within 31 days of vacating their unit (30 days at Abbie Lane, Fourteen Pines or Village Oaks), or within 31 days of HACSA verifying that the pet has been removed from the premises (30 days at Abbie Lane, Fourteen Pines or Village Oaks).

9. Disturbances / Damages

The Resident agrees to control the noise and/or behavior of his/her animal so that such noise and/or behavior does not constitute a nuisance to others nor disturb their peaceful enjoyment of the premises. Failure to control animal noise and/or behavior may result in action to remove the animal or to terminate tenancy. This includes, but is not limited to:

- A. Loud or continuous barking, howling, whining or chirping longer than 15 minutes;
- B. Biting, scratching, digging holes, destroying property, or similar occurrences.

The Resident is responsible for any damages to HACSA property, staff, or to third parties (including other residents or guests) caused by their animal. The Resident agrees to indemnify, defend, and hold harmless HACSA and its staff, agents and contractors from any claims by or injuries to third parties or their property caused by or as a result of actions by their animal(s). The Resident may also be liable for legal costs incurred by HACSA as a result of actions taken by HACSA in response to animal-related incidents.

- E. Pets are not allowed in Community Rooms.

12. Animal Care

- A. No animal may be left unattended in any unit for an unreasonable period of time (depending on the circumstances of each case and the nature of the animal).
- B. Resident is responsible for the adequate care, nutrition, exercise and medical attention for his/her animal. Animals must not be conspicuously unclean, or parasite infested.
- C. Resident must recognize that other Residents may have chemical sensitivities or allergies related to animals, or may be easily frightened or disorientated by

animals. Resident agrees to exercise common sense and courtesy with respect to other Residents' right to peaceful and quiet enjoyment of common areas and dwelling unit.

13. Alterations

Residents may not alter their inside or outside unit area or common areas of the complex without prior approval from HACSA. This includes creating an enclosure for an animal.

14. Inspections

- A. For the safety of animals, staff, residents, guests & others, all "Category I" pets (cats & dogs), including service/assistance & companion animals, must be confined/restrained in the presence of any HACSA staff, or any of HACSA's agents and/or contractors.
- B. HACSA may, after giving notice to the Resident and during reasonable hours, enter and inspect the premises, in addition to other inspections allowed, if it has received a complaint alleging that the conduct or condition of an animal in the dwelling unit constitutes a nuisance or threat to the health or safety of the occupants, the complex, or other persons in the community. An inspection will also be permitted without notice if HACSA has reasonable grounds to believe that there is a threat to the health or safety of the animal, or that an urgent situation may exist.

15. Responsible Parties

Resident must designate a Responsible Party for the care of the animal in case of the death, incapacity, or inability of the Resident to care for the animal.

16. Pet Rule Violations

A. PET RULE VIOLATION NOTICE AND/OR NOTICE FOR ANIMAL REMOVAL

If a Resident violates a pet rule (thereby violating their lease), the Resident may be served with written notice. The notice will describe the violation(s) and the pet rule(s) cited. The notice will also state how to remedy the violation(s) and give a period of time during which the Resident may remedy the violation(s), subject to verification.

B. TERMINATION OF TENANCY

- 1) HACSA may terminate the Resident's tenancy based on a pet rule violation if:
 - a) Resident has failed to remove the animal or correct the pet rule violation(s); or
 - b) Resident has affected the health, safety, or right to peaceful enjoyment of the premises by other residents, guests, HACSA staff, or HACSA's agents and/or contractors.

- 2) Resident will have the period of time specified in the pet rule violation notice to correct the violation(s). If the Resident does not correct the violation(s), (s)he may request an Informal Settlement Discussion (ISD) (in accordance with HACSA policy).
- 3) Resident's failure to correct the violation(s), or to request or appear for an ISD, may result in termination of tenancy and/or the requirement to remove the animal.
- 4) If the Resident and HACSA are unable to resolve the violation(s) at the ISD, and the Resident has failed to correct the violation(s), HACSA may serve notice on the Resident to remove the animal and may proceed with termination of tenancy.

17. Animal Removal

If the health or safety of an animal is threatened by the death, incapacity or inability of the owner to care for the animal, HACSA will contact the Responsible Party. If the Responsible Party is unable or unwilling to care for the animal, or if HACSA is unable to contact the Responsible Party with reasonable effort, HACSA may contact the appropriate State or local authority to request removal of the animal. If the Responsible Party is a HACSA resident, they may care for the animal in their unit for a maximum of fourteen (14) days. This time limit may be extended with prior written approval from HACSA.

18. Emergencies

HACSA may require a Resident to immediately remove an animal and/or may contact appropriate State or local authorities to remove an animal that becomes vicious; displays symptoms of severe illness; or behaves in a way that threatens the health or safety of other animals, residents, guests, or HACSA's staff, agents or contractors; or is causing, or has caused, serious damage to the Resident's unit or other HACSA property.

19. Reasonable Accommodation

Exceptions to HACSA's Pet Policy & Rules will be considered, on a case-by-case basis, upon receipt of a Request for Reasonable Accommodation. Such Requests must verify that the Applicant/Resident making the request meets the definition of an Individual with a Disability and that the exemption being requested meets a specific disability-related need and would provide the Applicant/Resident with an equal opportunity to participate in and use HACSA's housing program(s). Please see HACSA's Policy on Reasonable Accommodation and/or HACSA's Assistance/Companion/Service Animal Guidelines.

- 10. Civil Rights Certification.** A PHA will be considered in compliance with the Civil Rights and AFFH Certification if: it can document that it examines its programs and proposed programs to identify any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction.

In April of 2006, the Office of Fair Housing and Equal Opportunity conducted a compliance review to determine whether or not the Agency was operating in compliance with Section 504 of the Rehabilitation Act of 1973 and in compliance with Title VI of the Civil Rights Act of 1964. On November 30, 2006, the Agency received its Letter of Determination of Compliance on the Title VI Compliance Review. On December 18, 2006, the Agency received its Letter Of Determination of Compliance on the Section 504 Compliance Review.

Chuck Hauk, Housing Director, serves as the Agency's 504/ADA Coordinator. Mr Hauk also serves as the vice president of the Board of Directors for the Fair Housing Council of Oregon.

Dorothy Cummings, Deputy Director, participates on the Consolidated Plan committee for the cities of Eugene-Springfield. Ms Cummings work on the committee helps insure that the Agency's Plan remains consistent with the local Consolidated Plan.

- 11. Fiscal Year Audit.** The results of the most recent fiscal year audit for the PHA.

The most recent fiscal year audit is for FY 10 and there were no findings.

- 12. Asset Management.** A statement of how the agency will carry out its asset management functions with respect to the public housing inventory of the agency, including how the agency will plan for the long-term operating, capital investment, rehabilitation, modernization, disposition, and other needs for such inventory.

Given the conversion to asset management, there is more involvement with Property Managers and other staff responsible for the financial and physical well being of each AMP. The modernization and rehabilitation team coordinate with AMP staff (including maintenance) to insure that the physical well being of each AMP is maintained. The Agency recently completed Capital Needs Assessments (CNA) will guide the modernization and rehabilitation of the properties for at least the next ten years.

13. **Violence Against Women Act (VAWA).** A description of: 1) Any activities, services, or programs provided or offered by an agency, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking; 2) Any activities, services, or programs provided or offered by a PHA that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing; and 3) Any activities, services, or programs provided or offered by a public housing agency to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families.

The PHA has allocated 25 Section 8 Housing Choice Vouchers for victims of domestic violence who are in a transitional housing program through Womenspace and meet the eligibility requirements of the Section 8 Program and agree to two (2) years of case management.

Applicants for the Section 8 and Public Housing Programs who may be determined to be ineligible due to an unfavorable history are permitted to submit documentation for an Informal Review (Section 8) or Informal Hearing (Public Housing) affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking. HACSA does not deny admission to its housing programs on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for admission.

Participants in the Section 8 and Public Housing Programs who provide documentation that a member of the family is a victim of domestic violence are provided with information about VAWA and Oregon landlord-tenant laws relating to domestic violence; are referred, as necessary, to programs which assist such victims; are given appropriate forms to provide his/her landlord with a lease termination notice (Section 8) and are provided with the documents necessary to transfer to another Section 8 subsidized unit with any PHA in the nation which participates in the Housing Choice Voucher Program. With documentation confirming that the resident is a victim of domestic violence, a Public Housing resident may terminate their Lease Agreement with only 14 days notice – as opposed to the usually-required 30 days.

In the Public Housing Program, HACSA's Policy implementing the Violence Against Women (VAWA) Reauthorization Act of 2005 is incorporated into HACSA's Statement of Policies, as Appendix K. At the time of their intake interview, all applicants for HACSA's Public Housing Program are given a copy of this Policy and a copy of the Policy, with the applicant's/resident's signature, acknowledging receipt of the Policy, is retained in the tenant file.

HACSA does not provide activities, services, or programs directly to child or adult victims of domestic violence, dating violence, sexual assault, or stalking. Instead, HACSA continues its long-standing cooperative relationships with Womenspace and with SASS (Sexual Assault Support Services) and makes referrals to these organizations, as appropriate. Staff members from Womenspace and SASS continue to serve on the Advisory Board for HACSA's Family Self-Sufficiency Program.

Homeownership Update

March 21, 2011

Statistics for 2011

In 2011 there have been **4** Homeownership Information meetings (HOIM), including **1** evening meeting. **38** families expressed interest and were invited, **7** families attended. I have met with **8** families individually to discuss eligibility. I have met multiple times with some of these families.

Program Statistics

To date **25** families have **purchased** homes in connection with the Section 8 Homeownership program: **24** families with on-going assistance and **1** without.

Home Location: **8** in Springfield, **3** in Eugene, **1** in Elmira, **2** in Junction City, **3** in Oakridge, **3** in Veneta, **3** in Cottage Grove, **1** in Goshen, **1** in Florence

Lender: **12** with Siuslaw Valley Mortgage, **13** with USDA

To date **2** families have **terminated** their participation in the Section 8 Homeownership program.

Home Location: **1** in Elmira, **1** in Eugene

Lender: **1** with USDA, **1** with Siuslaw Valley Mortgage

Reason for Termination: **1** release of Voucher, **1** at Zero Hap for 6 months

The total purchase price for the **25** homes is **\$3,860,801**; total amount of money loaned is **\$3,427,976**.

The average gross income at the time of closing for the **23** families was **\$17,315**.

Demographics at the time of closing:

25 families consisting of **67** individuals, including **35** children

15 female Head of Household, **5** two parent households

14 head of household who qualified as Disabled, **1** who qualified as Senior

So far in 2011 the Section 8 Homeownership program has seen **1 closing**.

This Family consists of a single mother with 3 children who has been receiving Section 8 assistance since 1999 and is a FSS participant. She first attended an Information meeting for S8HO in 2006 and completed the homeownership education and counseling in 2007. She worked on increasing her income, cleaning up her credit and saving for downpayment. She secured a loan approval in the summer of 2010 but was unable to find a unit that she could afford that she wanted to purchase in Eugene. She was again approved for a loan through Siuslaw Valley Mortgage and this time expanded her search area to Springfield. She has purchased a home constructed in 2010 in a new subdivision.

We have several families in the process of trying to get a loan approval. These Families are eligible for the 1 and 2 bedroom Payment Standards, so it is likely that they will need to use the USDA Direct Loan program, with subsidized interest, to secure a loan that is large enough to purchase suitable housing.

One family has expressed interest in the St Vincent de Paul Home of Your Own Program (HOYOP), a self-help sweat equity program that is developing units in Lowell. There are some

unusual issues that arise with this program and we are working with SVdP to determine how we can work together.

Because the Contract of Sale will be signed before construction HUD requires an Environmental Review be performed and approved by HUD, I am trying to determine if the ER done for the project is sufficient or if a further review is necessary. Also, these homes require that funding be in place before construction begins; while USDA does these sorts of loans and is working with SVdP, it is not clear if USDA will be able to pair Construction loans with the S8HO program as we are unable to guarantee that the Family will still be eligible for mortgage assistance when the home is complete. In the past the USDA was not willing to do this with S8HO, but it appears that they may now be open to the idea.

Partners

Education: It is my understanding that OUR FCU will no longer be offering a homeownership education and counseling program that is separate from NEDCO's Threshold program, although I do not have specific information yet. As the majority of our clients have been utilizing the NEDCO program, I do not expect this to cause a problem for our Families. NEDCO continues to be certified as HUD Approved Housing Counseling site and is approved by HACSA for S8HO required Homeownership Education and Counseling. I am currently on the NEDCO Homeownership Center Advisory Board.

Lenders: We continue to have very strong partnerships with Siuslaw Valley Mortgage and USDA Rural Development as Lenders for the families in this program. The most recent information that I have received from USDA is that they are out of funds for the Direct Loan program, possibly until their federal budget is passed. Once they receive their funding, they will begin processing the loan applications as quickly as they can. Unfortunately they are still operating with a very reduced staff.

Staffing

Since October 2010, I have been responsible for the Income aspects of the S8HO caseload. While this does take additional time and so reduces the time I have available for other Homeownership duties, I believe that has been going well so far.

The Shelter Plus Care caseload continues to require more than .5 FTE, and with the plan to increase the caseload size, I expect it will require even more staff time in the next few months. I do not believe that S8HO program is suffering unduly from receiving reduced attention at this time; however, I am not able to work on the inter-agency program coordination as quickly as I would like to.

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 10/1/11, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. ~~The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.~~ Strike out per PIH Notice 2008-41 (Capital Fund changes annually)
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/TMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.

18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).

 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
