**Re: Ballot Return Envelope Missing Signature Affidavit**

Dear Voter,

We have received your voted ballot for the May 21, 2024, Primary Election. Oregon election law requires us to compare the signature on your return envelope with the signatures in your voter registration record to verify your identity. Unfortunately, your return envelope did not have a signature.

For your ballot to count, you must complete, sign, and return the form on the other side of this letter no later than **June 11, 2024** (ORS 254.431(2)(a)). Postmarks do not count. You may also include a copy of an acceptable ID. Acceptable ID will help provide sufficient evidence of your identity in the event election workers have difficulty matching your signature. If you do not sign and return the completed form, your ballot will not be counted.

If you indicate that you have not voted a ballot, we will **not** count this ballot and will refer the issue to the Oregon Secretary of State's office to investigate. If you did not return a ballot and you received this letter before Election Day, please contact our office for a replacement ballot.

Please note that the names and residence addresses of voters whose signature issues have not been resolved become public records on **June 5, 2024** (ORS 254.431).

If you have questions or need assistance completing or returning the form on the other side of this letter, please contact our office at (541) 682-4234 or [elections@lanecountyor.gov](mailto:elections@lanecountyor.gov).

We are open Monday through Friday 9 a.m. – noon & 1 – 4 p.m. On Election Day we are open from 7 a.m. – 8 p.m. and **we're here to help!**

Sincerely,  
Lane County Elections
