**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

The Row River Valley, identified as high fire risk, is without Fire and EMS services. Advocates argue there is a need for essential services in this area and are proposing formation of this district to meet said need. The District shall include all unprotected properties north of Dorena Lake beginning near milepost 6.5 of Row River Road, east to the intersection of Brice Creek Road/Layng Creek Road. Then continuing east to milepost 1.5 of Brice Creek Road, and to 40400 Layng Creek Road more or less. And south of Dorena Lake beginning at milepost 2 of Shoreview Drive, east to the intersection of Row River Road, including properties on roads accessed from Shoreview Drive and Row River Road. Formation would occur June 30th, 2024. Formation of the Row River Rural Fire Protection District with a permanent tax rate of \$2.40 per \$1,000 of assessed value will allow for the new district to serve a currently unserved area with emergency medical and fire protection services. At this election, the proposed district's board shall be voted on.
