**Community Health Centers Of Lane County**

**Jessica Hodgen**, PharmD & MBA Candidate 2022, is a clinical pharmacy intern at Community Health Centers of Lane County, precepted by Dr. Natalia Puccinelli, PharmD, BCACP, BC-ADM. Jessica is a rising fourth-year student in the dual PharmD/MBA program at Oregon State University/Oregon Health & Science University. At Lane County, Jessica has had the opportunity to assist Dr. Puccinelli in her efforts to optimize care for patients with diabetes. Jessica’s long-term career goal is to work as a clinical pharmacist serving vulnerable populations, which is inspired by her passion for patient advocacy and justice in healthcare. Jessica enjoys hiking with her partner and dog, running, and baking cakes in her free time.
