The Lane County Sheriff's Office continues to search for Danny Oberg who went missing in April of 2017. Danny was last heard from on April 23, 2017 when he told family he was going camping with a friend. That same morning, his car was found abandoned in the Marcola area. The two dogs that were with Danny when he disappeared were found shortly after he was reported missing.

Since his disappearance, Lane County Sheriff's Office Search and Rescue has deployed ground search teams, canine teams, special vehicle teams, and a helicopter to search the area where Danny's car was found and surrounding areas. Additional search missions continue to be conducted but unfortunately have not resulted in any new information.
