The District stopped providing water services and the PUD began providing water services on July 1, 2014. The Board has determined that it is in the public interest to dissolve the District and transfer remaining assets and liabilities to the PUD.</p> <p>The Board adopted findings of fact, and a proposed dissolution and liquidation plan that is filed with the Lane County Clerk.</p> <p>It was necessary for the Board to call this election because under state law voter approval is required to dissolve the District.</p>
