Executive Summary

Resident Deputies are assigned to three geographic districts - West Lane, covering from Walton to the Coast, South Lane, covering Lane County south of Creswell and East Lane, covering the Mohawk & McKenzie Hwy area. The goal of the program is to respond to emergencies and calls for service and to reduce or prevent victimization. The Resident Deputy program allows LCSO to provide enhanced police services to certain areas staffed by Resident Deputies. These Deputies are not relied upon for county-wide 9-1-1 response and therefore are able to remain in the community. Resident Deputies are able to provide in-person response or follow up to property crimes and other quality of life issues that are otherwise impossible given the reduced level of staffing in Patrol. Deputies cover civil service and all regular Sheriff's Office functions. Also included in this service is a significant community outreach component, including liaison with Neighborhood Watch organizations, schools, businesses and civic groups within the three districts. The Resident Deputy program is an excellent example of "community policing" a proven effective approach to law enforcement. Resident Deputies develop special knowledge of their assigned area, and are able to provide efficient, effective service to community residents.

The Resident Deputy program is extremely popular with residents in the areas covered by the program. The Sheriff's Office strongly supports continuation of this program and would like to eventually expand it to provide a higher level of service to much more of the county.
