**Executive Summary**

The Violent and Sex Crime Investigation detectives are responsible for advanced investigation and case preparation of violent crimes committed in Lane County including homicide, rape, sex crimes, and other major crimes. Approximately 80% of the cases assigned in this program deal with the victimization of children. The program contributes to the Sheriff's Office goals of protecting lives and property of Lane County residents by working to identify and hold offenders accountable and reduce or prevent further victimization.

**Service Descriptions**

	Revenue	Expense Total	General Fund	FTE
<b>Adopted Budget Total</b>	\$0	\$1,148,747	\$1,148,747	5.00

The Criminal Investigation Section (CIS) focuses on violent crimes (homicide, rape, felony assault and sexual crimes against children) which require extensive follow-up for successful prosecution. CIS detectives spend approximately 80% of their time investigating sexual crimes against children. Current staffing is far below the threshold level to meet the demand for service. Currently, many violent person and child victim crimes go uninvestigated or are left to be followed up on by uniform patrol deputies who must already deal with the daily high volume of calls related to in-progress crimes. Without CIS staff, the Sheriff's Office would be unable to fully comply with statutory mandates in child victim cases. This minimal level of staffing provides no ability to follow up on other felony crimes cases, including property crime, or domestic violence crimes.

**State/Federal Mandate**
