**Executive Summary**

The Offender Community Service or Community Service Program (CSP) is a community-based sentencing option used in lieu of incarceration. Offenders who are sentenced, court-ordered to pay off fines and fees and those placed on probation, fulfill their obligations to the Court by performing volunteer work at local non-profit and public agencies. The CSP staff oversee the supervision of approximately 125 local offenders on a daily basis. The program is funded by Community Corrections Act (CCA) funds and offender fees, as well as by the General Fund. This program allows state mandated sentences to be served, thereby holding offenders accountable.

**Service Descriptions**
