

Measles Advisory

Local officials have announced potential measles exposures in the community. This is a very contagious disease.

Please **call the number below, before entering** if you have any of the following:

- Have been near someone with measles
- Have been to exposure locations or were notified of a potential exposure
- Fever
- Rash
- Runny nose
- Cough
- Eye irritation or discharge

Phone: _____

Persons with these or other respiratory symptoms will be asked to wear a mask and may be asked to wait in a different room while waiting to be seen by a clinician. This will help us protect our patients and staff.
