

BOARD OF COUNTY COMMISSIONERS OF LANE COUNTY, OREGON

ORDER

12-10-17-04

IN THE MATTER OF DELEGATING AUTHORITY TO THE
COUNTY ADMINISTRATOR TO EXECUTE A CONTRACT
WITH EXECUTIVE INFORMATION SERVICES, INC. TO
PURCHASE A PUBLIC SAFETY INFORMATION SYSTEM
INCLUDING JAIL AND RECORD MANAGEMENT AND
COMPUTER-AIDED DISPATCH

Whereas, Sheriff's Office operations require a stable, reliable public safety information system to replace AIRS, a 40-year-old software package that can no longer be maintained or updated; and

Whereas, the Board of Commissioners approved use of an expedited procurement process to review and select a vendor-supplied solution; and

Whereas, the procurement process included invitations to all vendors responding to a similar RFP process in Douglas County; and

Whereas, vendor products were evaluated against key criteria developed by the Sheriff's Office; and

Whereas, two vendors were found to meet these key criteria and invited to provide on-site demonstrations; and

Whereas, additional evaluation and analysis resulted in a recommendation to purchase the product offered by Executive Information Systems, Inc. (EIS); and

Whereas, the Sheriff's Office supports this recommendation and wishes to enter into an agreement with EIS.

NOW, THEREFORE, IT IS HEREBY ORDERED that a contract for a public safety information system is awarded to Executive Information Systems, Inc. and that the County Administrator is delegated authority to execute a contract substantially similar to the draft contract attached.

Adopted this 17th day of October 2012.

APPROVED AS TO FORM
Date 10/3/12 Lane County

OFFICE OF LEGAL COUNSEL

Sid Leiken, Chair
Lane County Board of Commissioners
