PROCEDURE:

I. ORS 181A.820, Enforcement of Federal Immigration Laws:

- A. Prohibits Oregon law enforcement agencies from using agency monies, equipment, or personnel for the purpose of detecting or apprehending persons whose only violations of law is that they are persons of foreign citizenship residing in the United States in violation of federal immigration laws.
- B. Allows deputies to arrest and/or assist federal agents in the apprehension of a person pursuant to an arrest warrant issued by a federal magistrate charging a criminal violation of federal immigration laws under Title II of the Immigration and Nationality Act or 18 U.S.C. 1015, 1422 to 1429 or 1505.
- C. If any member including volunteers of the Sheriff's Office receives communication or a request from any federal agency relating to immigration enforcement, they must decline it and document it. This does not include a request from a judicial subpoena that is signed by a judge.
 - 1. If a member receives a request that is declined, they will send an email to their supervisor with the name of the federal agency along with the name of the requester. The email then must be forwarded up the chain of command to the Sheriff or designee.
 - 2. Once a month the Sheriff's Office must report any declined request to the CJC through this link: <https://www.surveymonkey.com/r/K9VWJHR>. If

the Sheriff's Office doesn't receive any requests no report needs to be submitted that month.

- D. No federal immigration agent may enter any areas of a law enforcement building that is not open to the public. This includes FBI or DEA if those agents are working on any immigration issue.
- E. No Deputy will collect information about an individual's immigration or citizenship status unless required to further a criminal investigation, or the information is submitted to a state court. If a Deputy collects the information it shall not be disclosed without a warrant or court order, or as required by law. A Deputy is not prohibited from asking for voluntary disclosure for consulate notification. However this can only be done after notifying the individual they don't have to provide it and could face immigration consequences including removal if they do.
